Copy of letter No.B5.3597/47, dated 17-2-48 from the Collector Bellary to the Secretary to the Board of Revenue, Madras: --

Sub: - Land Acquisition - Bellary district - Hospet Taluk - Ananthasayanamgudi village - pucca buildings in the prieticts of Ananthasayana temple - further report - submitted.

Ref: - Board's ref. 1. 4842/47-1, dated 21-10-47.

The Superintendent, Archaeological survey of India, Madras has found that the Ananthasayana temple is of great historical and archetectural importanc and that it is worthy of being carefully preserved. In the precincts of this temple, there are many katcha and pucca buildings which have rendered the whole area quite insanitory and congested; and they have also defaced the archetectural beauty of this ancient monument. With a view to clear these structures, the Superintendent applied for acquisition, in the first instance, only of some buildings as he could place a sum of Rs.5000/- only towards the Land Acquisition charges, and promised to apply for the acquisition of the rest in the next year.

(13) 2 The Government approved the Draft Declaration under section 6 of L.A. Act in respect of these in G.O. No.262 R and R.E. dated 25-7-47 and the award enquiry is in progress.

3 Now the Superintendent has applied for the acquisition of the remaining buildings and expressed his readiness to set apart a sum of Rs.15,000/- towards the Land Acquisition charges. I have already approved the P.V. Statement for the above buildings for a sum of Rs.14527-15-2 and asked the disposal of the Revenue Divisional Officer, Hospet.

* Archeological department to place the amount at the disposal of the Revenue Divisional Officer, Hospet. The owners of the building have no objection to the proposed acquisition

A topo-sketch showing the temple and the buildings proposed to be acquired is enclosed for favour of reference and return.
